AIRLESS TIP GUARD POSITIONER

Reference 5354

DESCRIPTION

An accessory that allows you to adjust the tip guard of the airless spray gun to various angles, making it easier to paint in corners and hard-to-reach areas without sacrificing ergonomics.

MULTIPLE ADJUSTMENT POSITIONS

CHARACTERISTICS

- Aluminum body;
- Quick angle adjustment;
- Standard airless thread (7/8");
- Green anodized finish;
- Compact and lightweight.

ADVANTAGES

It makes painting corners and high areas easier; There's no need to change the position of the gun;

- It allows for greater precision in painting;
- It increases productivity;
- Avoid unnecessary effort.

INDICATIONS FOR USE

For use in airless paint guns, improving operator ergonomics.
